Jun 15 **Andrey Zdorovtsov:** implemenet Rails plugin for countries, cities, schools import

---

Andrey Zdorovtsov Tue, 15 Jun at 12:29pm | Edit (for another 15 minutes)

Provided dynamic select boxes (country, province, city) for Sign Up and Account edit pages.
Imported Full data set for Venezuela and Spain and basic data set (Provinces + 1 city per province) for other 3 countries.
Imported school list for Venezuela.
